The Object of the Game

Help Goofy climb the treacherous slopes of the Matterhorn. To win the game, collect all the flags along the way and claim the Mickey flag at the mountain's summit.

Hints

- To start the game, move Goofy to the left until he picks up a flag. Then move him right as far as he will go. Now face Goofy to the left and jump him to the next level.
- Move Goofy to the end of the ledges before jumping. Be careful of falling off in the difficult game.
- Hop over goats and snowmen before they push Goofy off the ledge.
- Leap in and out of empty bobsleds or gondolas.
- Watch out for falling icicles in the medium and difficult games.
